Golden Gloves of America, Inc. is the National Organization for Golden Gloves in the United States. The Organization currently consists of 30 franchises that have designated Franchise territories in which they conduct their competitions. Franchises are awarded to local organizations interested in the promotion and betterment of amateur boxing. Franchise territories are defined by maps and descriptions kept on file by the Golden Gloves of America territorial committee. Each Franchise has a delegate that represents their Franchise at the National level. It is the objective of each Franchise to conduct local club shows and/or tournaments and to conduct annual tournaments each year for male and female athletes in their Franchise area culminating in a regional tournament wherein their champions are selected to participate in the annual National Golden Gloves tournament.

It is the intent and request of Golden Gloves of America, Inc. that the rule modifications listed below as they relate to Golden Gloves elite male and female competitions (ages 18 through 40) be approved and filed by USA Boxing for use as the master template for all Golden Gloves competitions throughout the United States.

The total sanction fee would be: $\$328 + \$300 = \$628$
